The provision will run for three weeks Monday to Thursday **only** and will commence on Monday 27th July and finish on Thursday 13th August. The provision is based at West Monkton Primary School.

Holiday Club includes a variety of activities including team games, crafts, baking, forest school and outside play. The Holiday Club is a general provision that will operate from 9am-3pm (not including 'Breakfast Club' and 'Downtime Club').

Places can be booked via Arbor from Monday 15th June at 9am. We will not be able to accept late bookings or children who turn up on the day without a place being booked. To book a place you will need to login to your Arbor account/app and book Holiday Club in the same way you book for activity clubs and or wraparound care. When the booking system goes live, you will be able to book for the places you require. Payment for club must be made by Topping Up your Arbor account under the payments section or by childcare vouchers which will be applied to your account. Bookings will be cancelled if there is an outstanding amount owed for previous Holiday Clubs.

If you have booked a place and then decide not to send your child to holiday club you are responsible for cancelling the booking by contacting the school office or the magicbooking queries email. There is a 24-hour notice period for any cancellations.

West Monkton Primary School is a mobile free zone. Please do not allow your children to bring mobile phones with them to Holiday Club.

If you have any queries regarding the booking process, please email magicbookingqueries@oak.education who will support you.

Kind Regards
